Special Meeting

Meeting

GOVERNMENT FORMS & SUPPLIES 844-224-3338 FORM NO. 10149

Held _____ February 12, _____ 20 _____ 2024 _____

The Board of Trustees of Freedom Township met on the above date. Trustees, David Bruning, Richard Rahe and Kent Schuerman were present. Also present was Road Superintendent, Robert Renz along with Nick Walby, Dalton Landers and Joe Vansena, all representing Rudolf Libbe, Inc.

Chairman, David Bruning called the meeting to order.

Following the first snow plow since the township took possession of the new office/maintenance building at 525 E. Front Street, it was brought to the attention of the board by Mr. Renz that the floor drain is set so that the water puddles in several areas of the concrete floor and does not run toward the floor drain. Therefore, the Board met with employees of Rudolf Libbe, Inc. to look at the situation. Rudolf Libbe, Inc. will take measurement of the slope of the floor and meet to set up a plan to remedy the situation.

Also, the Board spoke to Attorney, Joyce Nowak, about the permitting process and the matter relating to Amplex. Ms. Nowak said the current permit does not pertain to townships, but rather just to the county. She will send a sample resolution for the board to review and adopt along with a permit that pertains to townships that the board will need to approve.

The board also spoke to Ms. Nowak about the matter of the Township property on Water Street. She is going to reach out to Pemberville's attorney, Robert Kuhlman, and Mayor Carol Bailey to get the process moving to transfer the property containing the garage so that the township can sell the 4 parcels.

There being no further business coming before the Board, Trustee Bruning adjourned the meeting until Wednesday, February 28, 2024 at 7:30 P.M.
